

## Big Beer Wall

Jebediah

Gonna build a big beer wall  
It's gonna be fifteen feet tall  
Build it strong so it won't fall  
Gonna build a big beer wall

Gonna build a big beer wall  
Wouldn't do to build it small  
Got a feeling it's my call  
So I'm gonna build a big beer wall

Big beer wall, big beer wall  
Gonna build myself a big beer wall  
Big beer wall, big beer wall  
Gonna build myself a big beer wall

Gonna build a big beer wall  
It's gonna be fifteen feet tall  
Got a feeling it's my call  
So I'm gonna build a big beer wall

Big beer wall, big beer wall  
Gonna build myself a big beer wall  
Big beer wall, big beer wall  
Gonna build myself

Big beer wall  
Big big Beer wall  
Big beer wall  
Big beer wall  
Big beer wall  
Big beer wall  
Big beer wall

Yeehah!
