

Ferris Wheel

Jebediah

[Verse 1:]

Hey, I don't know what to say, I think of you each day
And in my loneliness, I don't know what is best

[Chorus:]

Maybe I might pretend, I'm going round the bend
And many a lot will heal, on the ferris wheel

[Verse 2:]

Hey, I'm losing it again, a lack of oxygen
I'll take you for a ride, and sit with you inside

[Chorus x 2]
