Three, Four!

[Verse 1:]

Well, I don't expect to see you all the time, Yeah every second day would still be fine, Cos I love all of the funny things that you do, I Couldn't think of anything that would be better, then being here with you,

[Chorus:]

You, you, I love the funny things you do,
You, you, I'm gonna be here through and through,
You, you, sometimes I wouldn't have a clue,
You, you, well would I be here without you,
Without you.

[Verse 2:]

We can sit around the house and watch TV, And all the crazy stories you can tell me, Well I probably won't be hearing nothing new, But I wouldn't want to listen to anyone else, to anyone else yeah but you,

[Chorus]

Without you Oh! Break it down

[Chorus]

Lalalalala Oh yeah
