I have been to hell before Befriended the Devil and Skeletor Wish I could visit the fellas more Wish that I could get more bodies through the cellar doors I'm always thinking of others Should probably think of myself more But I don't worry about cells and house cores[?] I'm more into L's than house stores I like wars and whores Cores and shores Liquor and Coors Sex, cigarettes and sycamores Always got one to roll up And one twirled All about guns and girls in this underworld So I got a truckload of guns and gusto But I don't go around shooting ducks and buffalo I like it when the streets are crowded I don't think to be discreet about it Drinkin' blood beats a salad So I gotta put a lot of work in Cause I'm usually thirsty again Before it even leaves the palate.
