

The Darkest Throne (Interlude)

Jedi Mind Tricks

Kid: Bless me father for I have sinned,
(speaks latin)

Father: Yeah, that's the one. Do you realized what you've just said?

Kid: It was only once father.

Father: Do you know what the fifth is?

Kid: The fifth is that if you don't say anything then it's not incriminating.

Father: The fifth commandment!

Kid: Thou shalt not kill.

Father: Yeah that's right. Now I want you to tell me, what happened.

Kid: No father. I'm not telling nobody nothin'.

Father: Don't be afraid my son. Nobody's more powerful than god .

Kid: I don't know about that father. Your guys bigger than my guy up there, but my guys bigger than your guy down here.

Father: You've got a point. Five our fathers and five hail marys.
