

# Bad Behaviour

Jedward

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My...

Don't tell me if I'm bad  
Cause I don't no excuses  
So don't be serious  
You could have been persuaded

I want the key to your heart (to your heart)  
And you've known from the start (from the start)  
And if the smile comes it won't be the last (be the last)  
But I've got a little problem that I can't seem to solve

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh

So how's it a surprise  
When you knew who you were dating  
Just oath to have some fun  
So we shouldn't been complaining

I want the key to your heart (to your heart)  
And you've known from the start (from the start)  
And if the smile comes it won't be the last (be the last)  
But I've got a little problem that I can't seem to solve

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh

Bad Behaviour  
Oh, oh, eh, oh

So tell me, t-tell me, tell me, why, why should I stop?  
If we're having fun well do it till we drop.  
So tell me, t-tell me, tell me, why, why should I go?  
If we never know.

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

My bad behaviour, my bad behaviour,  
I told you I was troubled with  
My bad behaviour

Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh  
Bad Behaviour  
Oh, oh, eh, oh
