

Can't Forget You

Jedward

It's like a shot, through your heart
Like a light in the dark
That morning
When you left me in my bed
You said: "I don't wanna see you anymore"
And I thought you were joking
Now I can't close watch you open
Goin' crazy!
It's like I've left too late
One wish to have one chance to say!
What if I told you that
I can't forget you
Nothing I can do to ever get you
Out of my head
Cause' I'll remember everything you said
And I'm sorry that I can't forget you
Sometimes I wish, I never met you
Doesn't matter, what I do
I'm trying but I can't forget you
