Happens In The Dark

Jedward

Can't let you go, walk out the door,
Can't hold you out, when I want more,
When I am down, you make it right
When I am stupid, you take in my side.
And when I cry, you make me smile,
When I am craZy and out of my mind,
You hold me tight, wont let me go,
Oh baby this time I know for sure...
Chorus
This is tonight, it's tonight it's tonight it's for real
Can you tell what I'm thinking, see what I see,
Feel my pulse yeah, beating so hard,
What's happens tonight girl, happens in the dark.
It's tonight, it's tonight can't you see?
Turn the lights out, it's just you and me,
Feel my pulse yeah, beating so hard,
What happens tonight girl, happens in the dark.
When I'm with you, I feel secure,
When I'm alone, I don't feel whole,
You've got my heart, if that's alright,
You kept me warm, all this time.
It must be love, one of a kind,
I would be craZy for leaving your side,
If you just stay, I'll show the way,
Cause baby this time I know for sure...
Chorus
This is tonight, it's tonight it's tonight it's for real
Can you tell what I'm thinking, see what I see,
Feel my pulse yeah, beating so hard,
What's happens tonight girl, happens in the dark.
It's tonight, it's tonight can't you see?
Turn the lights out, it's just you and me,
Feel my pulse yeah, beating so hard,
What happens tonight girl, happens in the dark.
Bridge
This is tonight, the night, tonight is for real,
We're so right, so right, so good can you see?
This is tonight, the night, tonight is for real
Can you tell what I'm thinking, tell what I'm thinking...
Chorus
This is tonight, it's tonight it's tonight it's for real
Can you tell what I'm thinking, see what I see,
Feel my pulse yeah, beating so hard,
What's happens tonight girl, happens in the dark.
It's tonight, it's tonight can't you see?
Turn the lights out, it's just you and me,
Feel my pulse yeah, beating so hard,
What happens tonight girl, happens in the dark.
What happens tonight girl, happens in the dark,
What happens tonight girl, happens in the dark.
