

Young Love

Jedward

Yeah yeah.. yeah yeah
I was with my friends
Third street walking the promenade
Then you passed by like a shooting star
I started falling, for you without a warning
In my dreams i'm asking your name
Put your number down
Then i wake up and i chickened out
This part i hated
Young love, so complicated
I know what people say, don't get carried away
Say boy you've got your whole life ahead of you
But what am i supposed to do?
Young love, is taking me over
Young love, I'm loosing control
My heart stop - stops
When I get close to you
Like lightning striking out of the blue
Young love, stealing my sleep
But So what, If you're feeling me
Put your hands up, hands up
All around the world
Everybody in young love, young love
Since that day, i've been walking the avenues
hoping i would bump into you
Or you into me but
Nothing just cold empty streets
Never thought, i would see your face - face again
But just like that i saw you walking in
The doors of my show, sat down in the front row
I know what people say, don't get carried away
Say boy you've got your whole life ahead of you
But what am i supposed to do?
Young love, is taking me over
Young love, I'm losing control
My heart stop - stops
When I get close to you
Like lightning striking out of the blue
Young love, stealing in my sleep
But So what, if you're feeling me
Put your hands up, hands up
All around the world
Everybody in young love
I know what people say, don't get carried away
Say boy you've got your whole life ahead of you
But what am i supposed to do?
Young love, is taking me over
Young love, i'm losing control
My heart stop - stops
When I get close to you
Like lightning striking out of the blue
Young love, stealing my sleep
But So what, if you're feeling me
Put your hands up, hands up
All around the world
Everybody in young love
Oh yeah.. i was with my friends

Third street walking the promenade
Then you passed by like a shooting star
I started falling, for you without a warning
