

Don't Hate Me For Lovin' You

Jeff Bates

I can't help myself
Baby, I've tried and I've tried
But I just don't want nobody else
You did this to me

You lit a fire that's still burning
Down deep in my soul
And now you expect me
To just let you go

Don't hate me for lovin' you
It's all that I know to do
You're my everything
Oh, oh, don't ask me to give you up
I live for your tender touch

Oh, don't be so mean
Don't hate me for lovin' you
Don't hate me for lovin' you
Don't hate me for love, lovin' you

Dreams, you're still in my dreams
Sometimes so real
That I still feel you
Lying right here next to me

I'm so sorry I called, I know it's late
And the last thing you
Want me to say is I miss you
A little bit more everyday

Don't hate me for lovin' you
It's all that I know to do
You're my everything
Oh, oh, don't ask me to give you up
I live for your tender touch

Oh, don't be so mean
Don't hate me for lovin' you
Don't hate me for lovin' you
Don't hate me for love, lovin' you
Don't hate me for love, lovin' you
