

# Make Me Weak

Jeff Bates

I was raised to be tough  
And stand my ground  
To face life like a man  
And never back down

But there are times  
When giving in aint wrong  
And baby, tonight I'm tired of being strong

Make me weak  
I wanna lose control  
And I don't wanna be incharge tonight  
I wanna let go  
Make me weak and I'll surrender to your love  
And let your touch make me weak

In your hands I can feel love in the dark  
Tonight your in command  
So here's my love  
Baby keep me helpless all night long  
Till every ounce of love in me is gone

Make me weak  
I wanna lose control  
And I don't wanna be incharge tonight  
I wanna let go  
Make me weak and I'll surrender to your love  
And let your touch make me weak

I was raised to be tough  
And stand my ground  
To face life like a man  
And never back down
