

Catman

Jeff Beck

Cat man's a-coming you better look out
Cat man's a-comin' and a running about
Cat man's a-comin' and lookin' for a girl
Better hide your sister man

"C" is for the crazy hairdo that he wears around
"A" is for the arms that he'll sneak around your waist
"T" is for the taste of lips belong to you
Cat man cat man
Yeah git it go

"M" is for the mean things that this mean man does
"A" is for the row of hearts that he has ever broke
"N" is for the names of the list you may be on
Cat man cat man rock

Cat man a-lookin' for a woman all day long
Ah better watch out because he is in you midst
Ah better watch out your gonna be kissed
Better watch out because he is in you midst
Cat man cat man yeah
Better watch out because I'm the cat man
Cat man
