## **Highways**

Tištěno z www.txp.cz

Well I've been searching uphill, down and around and 'round Life's lonely highway Just traveling 'round, nothing to be found Now I know, yes I know that leaving you was wrong So I'm coming on home, won't be long Now if I bring you back the love I had Would you see it through

Well I've been searching uphill, down and around and 'round Life's lonely highway Just traveling 'round, nothing to be found Now I know, yes I know that leaving you was wrong So I'm coming on home baby, won't be long If I bring you back the love I had Would you see it through
