I Ain't Superstitious

Ain't superstitious Black cat crossed my trail I ain't superstitious But a black cat crossed my trail Bad luck ain't got me so far And I won't let it stop me now

The dogs begin to bark All over my neighborhood And that ain't all Dogs begin to bark All over my neighborhood Mmm-mmm This is a mean old world to live in And I can't face it all by myself, at all

And, dogs begin to bark All over my neighborhood The dogs begin to bark All over my neighborhood I got a feelin' about the future And it ain't too good, I know that

I know, I know, I know

Ain't superstitious But a black cat crossed my trail I said it so one time before Ain't superstitious A black cat crossed my trail Bad luck ain't got me so far And you know I ain't gonna let it stop me now Come on
