Ice cream cakes, lollipops babe  
Aint it sweet as you know  
Ice cream cakes, lollipops babe  
Aint it sweet as you know  
Its so nice to be loved by somebody  
Somebody like you, yeah-lord  
Let me tell ya now  
Got lips that taste, got first romance  
Drove me through, through  
What ever you got babe  
I'm gonna keep it  
Just to share, you  
Its so nice to be loved by somebody  
Somebody like you  
I've got this burnin desire  
It just set my soul on fire  
You know you filled me through and through lord  
I just wanna be with you girl  
Ice cream cakes, lollipop baby  
Aint it sweet, as you know  
Ice cream cakes, lollipops babe  
Aint it sweet as you know  
Its so nice to be loved by somebody  
Somebody like you, Yeah yeah
