

Oh to Love You

Jeff Beck

I need you woman
And you are my heaven
Oh yeah

I'm a way you say is long
Do me right and never wrong
I know it's hard
In the morning the house is so empty
As my heart when I'm away
Miss and love you more each day
I thank you baby
For being so wonderful
Oh how I want you

Oh to love you
Oh to love you
Makes me feel good
(Makes me feel good)
Makes me feel good
(Makes me feel good)

Ah ah, ah ah, ah ah, ah ah

Ah ah, ah ah, ah ah, ah ah

Oh to love you
Oh to love you
Makes me feel good
(Makes me feel good)
Makes me feel good
(Makes me feel good)
(Ah ah ah)

I need ya woman
Yeah yeah I want you woman
Come and hold by your side
Let me love you not much time
Thank you baby
Thanks for having
(Ah ah)
Oh how I want you
(Ah ah)
Oh thank you baby
(Ah ah)
Oh how I want you
(Ah ah)
Oh to love you
(Ah ah)
Makes me feel good
(Ah ah)
Makes me feel good
(Ah ah)
Makes me feel good
(Ah ah)
