

# Pay Me No Mind

Jeff Beck

Now my train is never on time  
I'm a come in the dead stake time  
I'm the shame that the sun don't shine  
Somebody don't pay me no mind

Don't understand it  
Don't understand it  
Don't' understand it  
Don't understand it  
Don't

I'm the pain when it hurts sometimes  
And the mountain just can't hide  
Tell a guy she never could find  
Somebody don't pay me no mind yeah

Don't understand it  
Don't understand it  
Don't' understand it  
Don't understand it  
Don't

Oh and the scratch on your LP's mine  
Don't understand it  
Don't understand it  
In the stolen shoes  
Don't understand it  
Don't  
Don't understand it  
Don't  
Don't understand it  
Don't

Now my train is never on time  
I'm a come in the dead stake time  
I'm the shame that the sun don't shine  
Somebody don't pay me no mind

Don't understand it  
Don't understand it  
Don't' understand it  
Don't understand it  
Don't

I'm the pain when it hurts sometimes  
And the mountain just can't hide  
Tell a guy she never could find  
Somebody don't pay me no mind yeah

Understand it  
Don't  
Understand it  
Don't  
Understand it  
Don't  
Understand it  
Don't

Understand it  
Don't  
Understand it  
Don't  
Understand it  
Don't  
Understand it  
Don't
