

# Sweet Sweet Surrender

Jeff Beck

Shine shine on brightly  
Take away the night  
We'll float oh so lightly  
Before the morning bright  
Oh yeah

(Sweet sweet surrender)  
Sweet sweet surrender  
(Come to me now)  
Come  
(So warm and tender)  
Warm and tender  
(I will show you how)

Take a ride on a daydream  
Taking you no where  
It's all such a bad scheme  
I know cause I've been there  
Whoa oh

(Sweet sweet surrender)  
Sweet sweet sweet surrender  
(Come to me now)  
Come to me loving  
(So warm and tender)  
Warm and tender  
(I will show you how)

(Sweet sweet surrender)  
(Come to me now)  
(So warm and tender)  
(I will show you how)
