Feat. The Big Town Playboys

Woman love hey hey hey woman love hey hey hey  
Woman love hey hey hey woman love hey hey hey

Well I went to my good doctor not so long ago  
A-walkin' in a circle and moanin' low  
He looked at me and said good lord above son  
You need a vaccination of a-woman love

Well I'm lookin' for a woman with a one track mind  
A huggin' and a kissin' and a smoochin' all the time  
I'd build her a castle to the moon up above  
I sure am a needin' me some woman love  
Let's Rock

We'll I'm lookin' for a lovin' gal that needs a lot of care  
Not worried about her figure or the color of her hair  
The doctor really scared me when he said good lord above son  
You sure am a-needin' you some woman love

Well I'm tired of walkin' circles tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call me turtle dove  
I sure am a-needin' me some woman love  
Come again

Well I'm tired of walkin' circles tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call me turtle dove  
I sure am a-needin' me some woman love

Woman love hey hey hey woman love hey hey hey  
Woman love hey hey hey woman love hey hey hey  
Woman love hey hey hey
