

Howdy Do

Jeff Black

I bet somebody
Roughed you up good
I bet you come from
A tough old neighborhood
Ain't that a fine
Ain't that a fine
Howdy do

I bet they shut you down
Before you could talk
I bet they turned you out
Before you ever learn to walk
Ain't that a fine
Ain't that a fine
Howdy do

I bet you paid a pretty penny
For someone else's tears
I bet the hurt goes back
At least a thousand years

I bet they never let you
Have your say
I bet you always felt like
You were just in the way
Ain't that a fine
Ain't that a fine
Howdy do

Now if it don't set you free
It ain't worth a dime
If I was a petty gambler
Hell I'd win every time

I bet they broke some things
You can't replace
I bet the truth you know
Gets thrown back in your face oh
Ain't that a fine
Ain't that a fine
Howdy do
