

Lemonade

Jeff Black

Sitting in the mouth of a crocodile
A crocodile a crocodile
Sitting in the mouth of a crocodile
With a glass of lemonade

Fishing for shrimp in a hurricane
A hurricane a hurricane
Fishing for shrimp in a hurricane
With a glass of lemonade

Sweet and sour sugar bliss
Tastes just like pure happiness
Pucker up for the perfect kiss
Do you like lemonade

Elephant stepping on my little toe
On my pinky toe yes me thinky so
Elephant standing on my little toe
Let's make some lemonade

Lemon and water and the sugar's fine
The sugar's fine the sugar's fine
Lemon and water and the sugar's fine
Lets make some lemonade
