If You Knew

Jeff Buckley

If you knew how I miss you You would not stay away Don?t you know how I need you Stay here, my dear, with me

I need you here beside me Forever and a day Together, never parted Just you, just me, my love

I can?t go on without you Your love is all I?m living for I love all things about you Your heart, your soul, my love

I can?t go on without you Forever and a day I need you here beside me Forever and a day And no-one else besides me I love you, I love you
