Everybody looking for a better way, better day World is-a changing, don't know if I like what I see Simpler times are behind us, what more can I say? Whatever happened to satisfaction guaranteed? Listen...

This I tell u my child...

Step into the fire Pay the price or u might get burned And welcome to this krazy life we live!

Carjacks, hijacks emulated on video games Life is a reality, fantasy TV show Everyone's a star in this youtube voyeuristic display Watch what u do and say or you'll be the next to go

This I tell u my friend...

Step into the fire
Pay the price or u might get burned
Welcome to this krazy world
Riding on the wire
Get in line and await your turn
And welcome to this krazy life we live!

This krazy life, this krazy world Just step right up and feel the burn!
