

## Eskimo Blue Day

Jefferson Airplane

Snow cuts loose from the frozen  
Until it joins with the African sea  
In moving it changes its cold and its name  
The reason I come and go is the same  
Animal game for me  
You call it rain  
But the human name  
Doesn't mean shit to a tree  
If you don't mind heat in your river and  
Fork tongue talking from me  
Swim like an eel fantastic snake  
Take my love when it's free  
Electric feel with me  
You call it loud  
But the human crowd  
Doesn't mean shit to a tree  
Change the strings and notes slide  
Change the bridge and string shift down  
Shift the notes and bride sings  
Fire eating people  
Rising toys of the sun  
Energy dies without body warm  
Icicles ruin your gun  
Water my roots the natural thing  
Natural spring to the sea  
Sulphur springs make my body float  
Like a ship made of logs from a tree  
Redwoods talk to me  
Say it plainly  
The human name  
Doesn't mean shit to a tree  
Snow called water going violent  
Damn the end of the stream  
Too much cold in one place breaks  
That's why you might know what I mean  
Consider how small you are  
Compared to your scream  
The human dream  
Doesn't mean shit to a tree
