

## Let Me In

Jefferson Airplane

Oh, let me in  
I want to be there  
You shut your door  
Now it ain't there  
Without a word to me  
Without a look at me  
You turned me down without a care

Oh, let me in  
Hear what I'm talking about  
I gotta get in  
But you keep putting me out  
Without a call to me  
Without a love for me  
You don't even know if there is  
One gram of doubt

Oh, let me in baby  
You're driving me crazy  
Your playing games in my mind

Oh, let me in honey  
Don't tell me it's so funny  
I didn't know that you could  
Be that unkind

Oh, let me in  
You know I want only you  
I don't want to be told  
By you what to do  
Without a care for me  
Without a love for me  
Who's gonna talk for me  
Who's gonna speak for me  
You walked away for something  
Richer and new  
Thanks for nothing
