

Pretty as You Feel

Jefferson Airplane

You're only pretty as you feel
Only pretty as you feel inside
You're only pretty as you feel
Just as pretty as you feel inside

When you wake up in the morning
Comb your hair
Rub some sleep from your eye
Look inside your mirror

Don't give vanity a second chance
No, no, no
Beauty's only skin deep
It goes just so far 'cause
You're only pretty as you feel
Just as pretty as you feel inside
You're only pretty as you feel inside

Now you're feelin' good
Now you're feelin' pretty
Now you're feelin' good
Now you're ready to face the world girl
Go out there 'n' knock 'em silly girl
Go out there 'n' show 'em how to thrill
'Cause you're only pretty as you feel
Only pretty as you feel

You're only pretty as you feel
Just as pretty as you feel inside
Pretty mama Feelin' so pretty, feelin' so pretty
