

It's Not Over ('Til It's Over)

Jefferson Starship

Hey listen
We don't call the shots here
We don't make the rules
We take what we get
Get what we can

And it's learning the hard way here on the streets
You can't build a dream without a plan

Passion speaks
Let them hear you speak for me
They play to win
We play for keeps

It's not over 'til it's over
It's not over 'til we get it right

The odds are against us
Say we don't stand a chance
When there's no giving up
No giving in

When push comes to shove you got to fight for what you love
You do what you must do what you can

Passion speaks
Let them hear you speak for me
They play to win
We play for keeps

It's not over 'til it's over
It's not over 'til we get it right
Get it right

The odds are against us
You know we still stand a chance
There's no giving up
No giving in
It's not over

It's not over 'til it's over
It's not over 'til we
'Til we, 'til we, 'til we
'Til we get it right
