If only you believe like I believe, baby We'd get by If only you believe in miracles, baby So would i If only you believe like I believe, baby We'd get by If only you believe in miracles, baby So would i. I might have to move heaven and earth to prove It to you, baby So we're makin' love and you feel the power And I feel the power Then there's really nothing that we can't do If we wanted to, baby We could exist on the stars It'd be so easy All we gotta do Is get a little faith in you Oh, I've been (to) so many places I've seen some things I know, love is the answer Keeps holding this world together Ain't nothing better Ain't nothing better And all the answers to our prayers Hell , it's the same everywheres, baby Nothing ever breaks up the heart Only tears give you away Then you're right where I found ya With my arms around ya Oh baby, baby, baby, love is a magic word, yeah Few ever find in a lifetime But from that very first look in your eyes I knew you and I had but one heart Only our bodies were apart That was so easy, so easy I had a taste of the real world When I went down on you, girl. If only you believe like I believe, baby We'd get by If only you believe in miracles, baby So would i If only you believe like I believe, baby We'd get by If only you believe in miracles, baby So would i. I can hear windmills and rainbows Whenever you're talkin' to me I feel like swirling and dancin' Whenever you're walking with me You ripple like a river when I touch you When I pluck your body like a string When I start dancin' inside ya

Oh baby, you make me wanna sing

Yeah, baby, baby, baby, baby
Oh yeah, all right
Baby, we're sure doin' it tonight
Everytime you come by, let me try
Pretty, please sugar on it
That's how I like it
I can't even believe it, with you
It's like having every dream I ever wanted
Come true
I picked up your vibes
You know it opened my eyes
But I'm still dreamin' yeah
And you're right where I found ya
With my arms around ya.

Refrain (2x)
