Nothing's Gonna Stop Us Now

Jefferson Starship

Looking in your eyes I see a paradise
This world that I've found is too good to be true
Standing here beside you, want so much to give you
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that Put your hand in my hand baby don't ever look back Let the world around us just fall apart Baby we can make it if we're heart to heart

And we can build this thing together Stand this stormy weather
Nothings gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us now

I'm so glad I found you, I'm not gonna lose you Whatever it takes I will stay here with you Take it to the good times, see it through the bad times Whatever it takes here's what I'm gonna do

Let 'em say we're crazy, what do they know Put your arms around me baby don't ever let go Let the world around us just fall apart Baby we can make it if we're heart to heart

And we can build this thing together Stand this stormy weather
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us now

Oh, all that I need is you
All that I ever need
And all that I want to do
Is hold you forever, and ever and ever

And we can build this thing together Stand this stormy weather Nothings gonna stop us now And if this world runs out of lovers We'll still have each other Nothing's gonna stop us Nothing's gonna stop us now
