

Save Your Love

Jefferson Starship

Go on out and gain the world
But don't you lose your soul
While you're trying
Your truth is changing every day
But your heart will let you
Know when you're lying
Well, you're running
Running from me now
Running like you've got a race to win
Now you tell me our romance is over
Time for you to start again

Save your love and tenderness
Don't get lost in bitterness
Save the dreams you had when we started
Do the things you have to do
But don't forget the love we knew
Don't lose your love cause we've parted

You say you can't tell right from wrong
Confusion's pulled the reins tight in your soul
Tight in your soul
Think it's all going to make sense
That accomplishments are gonna make you whole
Following
Following confusion
Running from someone who looks like me
Stop and take a look inside you
Now you tell me who it is you see
