

# Beauty Killer

Jeffree Star

If I can't be beautiful.. I'd rather just die.

So self-obsessed with my mascara and mistakes.  
Vanity's like a funeral an everyone's at my wake.  
Before I run out of air there's more makeup to apply.  
Doll eyes stare into Valium colored skies...

I gotta sweet tooth and strawberry youth.  
You wanna be my licorice and misguided truth.  
And right now - I'll show you how.. I'm a beauty killer.

Rhinestone my eyes closed and please fix my hair.  
This concealer can't hide all my pink nightmares.  
Before I run out of air there's more makeup to apply.  
Doll eyes stare into Valium colored skies.

I almost died but it felt great.  
Faking perfection wasn't worth the wait.  
I may be easy, easy to hate.  
But you're so fucking easy.. easy to break.

I gotta sweet tooth and strawberry youth.  
You wanna be my licorice and misguided truth.  
And right now - I'll show you how.. I'm a beauty killer.

I almost died but it felt great.  
Faking perfection wasn't worth the wait.  
I may be easy, easy to hate.  
But you're so fucking easy.. easy to break.

Tell me your secrets and ill tell you my lies.  
Everything is monotone in my dead eyes.  
If I cant be beautiful..I'd rather just die.  
I'm a beauty killer.

I gotta sweet tooth and strawberry youth.  
You wanna be my licorice and misguided truth.  
And right now - I'll show you how.. I'm a beauty killer.

Gorgeous killer.  
Hot pink killer.  
Fierce killer.  
I'm a beauty killer.  
I'll fucking kill you...
