

## Get Away With Murder

Jeffree Star

I'm gonna break your heart an get away with murder.  
You shoulda known from the start that it wouldn't last forever.  
I cant control myself - I feel like someone else.  
I'm gonna break your heart and get away with murder.

There's a mystery inside my head...  
It was you dripping all in red.  
Did I hurt you? let me make it safe an sound...  
Can you feel me breathing down your neck?  
Your just a perfect little human wreck.  
But I like you... enough to destroy you, tear you down.

I'm gonna break your heart an get away with murder.  
You shoulda known from the start that it wouldn't last forever.  
I cant control myself - I feel like someone else.  
I'm gonna break your heart and get away with murder.

There's a memory inside my head...  
It feels like apart of me is dead.  
I should save you.. but I want to watch you drown...  
There's nothing you can say or do...  
Words mean nothing when you're lips are blue.  
I love you... now that you're 6 feet underground.

I'm gonna break your heart an get away with murder.  
You shoulda known from the start that it wouldn't last forever.  
I cant control myself - I feel like someone else.  
I'm gonna break your heart and get away with murder.

It's time to spill your guts and I don't like what I see on the  
inside.  
I'm looking at the evidence... this seems like a flawless crime  
.  
Did you forget love was dangerous? I feel like I'm...

I'm gonna break your heart an get away with murder.  
You shoulda known from the start that it wouldn't last forever.  
I cant control myself - I feel like someone else.  
I'm gonna break your heart and get away with murder.
