

Gorgeous

Jeffree Star

Oh, you know it's true, I'm obsessed with you
You're the kind of joy I like to break.
Now I must confess, I'm a complicated mess.
With a bad attitude and a gun under my dress.

Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch youu)
Fuck you're so gorgeous.

I turn diamonds into dust, And love to rust.
Maybe I will do the same to you (to you)
You're mister dangerous, With a golden touch,
Are my 24 karat nightmares getting to you?

Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch youu)
Fuck you're so gorgeous.

Scratch your heart to pieces, (can't take my eyes off you)
I want you in my reaches, (I can't take my eyes off you)
It's telekinesis, (I can't take my eyes off you)
scratch your heart to pieces , (can't take my eyes off you)
Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch youu)
Fuck you're so gorgeous.

Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch you)
Fuck you're so gorgeous, (and I wanna touch youu)
Fuck you're so gorgeous.
