

# Gorgeous

Jeffree Star

Oh, you know it's true, I'm obsessed with you  
Your the kind of joy I like to break.  
Now I must confess, I'm a complicated mess.  
With a bad attitude and a gun under my dress.

Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch youu)  
Fuck you're so gorgeous.

I turn diamonds into dust, And love to rust.  
Maybe I will do the same to you (to you)  
You're mister dangerous, With a golden touch,  
Are my 24 karat nightmares getting to you?

Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch youu)  
Fuck you're so gorgeous.

Scratch your heart to pieces, (can't take my eyes off you)  
I want you in my reaches, (I can't take my eyes off you)  
It's telekineses, (I can't take my eyes off you )  
scratch your heart to pieces , (can't take my eyes off you )  
Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch youu)  
Fuck you're so gorgeous.

Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch you)  
Fuck you're so gorgeous, (and I wanna touch youu)  
Fuck you're so gorgeous.
