Life vest hang it up I go under water, go down, go down, go down, go, go, go

Seatbelt take it off car crash until I black out, black out, black out, black out, out, go, go, go

Do or die dare devil I'm obsessed til' I get you I'm in cardiac arrest

Pedal to the fuckin' metal I'm never slowin' down, slowin' down

Yes I confess I've been lovin' you half to death

See I'mma get you take you make you make you mine even even if it kills me (If it kills me)

My heart's jumpin' out of my chest and I'mma want you til' my d ying breath

See I'mma get you take you make you make you mine even even if it kills me (If it kills me)

Oh, oh, oh...

If it kills me

Oh, oh, oh...

If it kills me

Parachute closed up dive right into your love, your love, your love

Blind fold on the floor uncensored I'm hardcore, hardcore, hard core

Do or die dare devil I'm obsessed til' I get you I'm in cardiac arrest

Pedal to the fuckin' metal I'm never slowin' down, slowin' down

Yes I confess I've been lovin' you half to death

See I'mma get you take you make you make you mine even even if it kills me (If it kills me)

My heart's jumpin' out of my chest and I'mma want you til' my d ying breath

See I'mma get you take you make you make you mine even even if it kills me (If it kills me)

I'm love-drunk so wa-walk the line
If you do the crime baby I'll do the time
On a tight rope I'd risk my life
I'd self-destruct fuck myself up baby

Yes I confess I've been lovin' you half to death

See I'mma get you take you make you make you mine even even if it kills me (If it kills me)

My heart's jumpin' out of my chest and I'mma want you til' my d ying breath

See I'mma get you take you make you make you mine even if

it kills me (If it kills me)

[2x]
Oh, oh, oh...
If it kills me
Oh, oh, oh...
If it kills me
