

# All At Once

Jeffrey Osborne

Oh, no  
Ooh, baby  
Oh, baby

All at once  
I finally took a moment and I'm realizing that  
You're not coming back  
And it finally hit me all at once

All at once  
I started counting teardrops and at least a million fell  
My eyes began to swell  
And all my dreams were shattered all at once

Ever since I met you  
You're the only love I've known  
And I can't forget you  
Though I must face it all alone

All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me  
And that's all that matters now

All at once  
I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows all at once

All at once  
I looked around and found  
That you were with another love in someone else's arms  
And all my dreams were shattered all at once

All at once  
The smile that used to greet me  
Brightened someone else's day, it took your smile away  
And left me with just memories all at once

Ever since I met you  
You're the only love I've known  
And I can't forget you  
Though I must face it all alone

All at once  
I'm drifting on a lonely sea  
Wishing you'd come back to me  
And that's all that matters now

All at once  
I'm drifting on a lonely sea  
Holding upon to memories  
And it hurts me more than you know  
So much more than it shows all at once

Ooh, ooh, girl

I'm drifting on a lonely sea  
Holding upon some memories  
And it hurts me more than you know  
So much more than it shows all at once

I'm holding on to memories  
And it hurts me more than you know  
So much more all at once
