Oh, no Ooh, baby Oh, baby

All at once I finally took a moment and I'm realizing that You're not coming back And it finally hit me all at once

All at once I started counting teardrops and at least a million fell My eyes began to swell And all my dreams were shattered all at once

Ever since I met you You're the only love I've known And I can't forget you Though I must face it all alone

All at once I'm drifting on a lonely see Wishing you'd come back to me And that's all that matters now

All at once
I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows all at once

All at once I looked around and found That you were with another love in someone else's arms And all my dreams were shattered all at once

All at once
The smile that used to greet me
Brightened someone else's day, it took your smile away
And left me with just memories all at once

Ever since I met you You're the only love I've known And I can't forget you Though I must face it all alone

All at once I'm drifting on a lonely see Wishing you'd come back to me And that's all that matters now

All at once
I'm drifting on a lonely sea
Holding upon to memories
And it hurts me more than you know
So much more than it shows all at once

Ooh, ooh, girl

I'm drifting on a lonely sea
Holding upon some memories
And it hurts me more than you know
So much more than it shows all at once

I'm holding on to memories
And it hurts me more than you know
So much more all at once
