You Should Be Mine (woo Woo Song)

Jeffrey Osborne

When you want all the love you deserve And the heat's on your mind Don't you even think about it I'll be there just wrapped around you

I can't hold back what I feel inside It's just a fact

That you should be mine, anything you want You've got to fortify my love, you fortify me You should be mine, anything you want You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo-woo? Can you woo-woo-woo? Should be mine, all mine

Any way that your heart has been denied Ooh, you can come to me Every time that were together Just becomes the good thing we've got

And something this good can't be defined One thing's for sure

That you should be mine, anything you want You've got to fortify my love, you fortify me You should be mine, anything you want You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo-woo? Can you woo-woo-woo? Should be mine, all mine Can you woo-woo-woo? Can you woo-woo-woo? Can you woo-woo-woo? Should be mine

In the height of your worry Worries runnin' too deep for you When it all becomes too much, too much Too much, I'll pull you through

I can't hold back what I know inside It's just a fact

That you should be mine, anything you want You've got to fortify my love, you fortify me You should be mine, anything you want You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo? Can you woo-woo-woo? Should be mine, all mine Can you woo-woo-woo? Can you woo-woo-woo? Now, can you woo-woo-woo? Should be mine

Can you woo-woo? Can you woo-woo? Can you woo-woo? Should be mine, all mine You should be mine, you should be mine
