

# Atomic Power

Jello Biafra

O' this world is a at a tremble  
With it's strength and mighty power  
They're sending up to heaven  
To get the brimstone fire  
Take warning my dear brother  
Be careful how you plan  
You're working with the power  
Of God's own holy hand

Atomic power  
Atomic power  
Was given by the mighty hand of God  
Atomic power  
Atomic power  
Was given by the mighty hand of God

You remember two great cities  
In a distant foreign land  
When scorched from the face of earth  
The power of Japan  
Be careful my dear brother  
Don't take away the joy  
But use it for the good of man  
And never to destroy

Hiroshima, Nagasaki  
Paid a big price for their sins  
When scorched from the face of earth  
Their battle could not win  
But on that day of judgment  
When comes a greater power  
We will not know the minute  
And we will not know the hour

[Chorus]
