

## Come on Closer

Jem

Come on closer  
I wanna show you  
What I'd like to do  
You sit back now  
Just relax now  
I'll take care of you

Hot temptations  
Sweet sensations  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you

Gonna take it slow babe  
Do it my way  
Keep your eyes on me  
Your reaction  
To my action  
Is what I want to see

Rhythmic motion  
Raw emotion  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you

And now you're satisfied  
A twinkle in your eye  
Go to sleep for ten  
And anticipating  
I will be waiting  
For you to wake again

Hot temptations  
Sweet sensations  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you

(When you wake up we'll  
Do it all again)  
(When you wake up)  
(When you wake up we'll  
Do it all again)  
(When you wake up)

Hour after hour  
Of sweet pleasure  
After this I guarantee  
You'll never wanna leave  
Shut your eyes and think about  
What I'm about to do  
Sit back relax I'll take my time  
This lovin's all for you
