

## Don't Look Back

Jem

Time, time goes by  
Every second now I wonder why  
Why would I ever, wanna live this way  
Can I make up for the heartache and pain?

And time, I've thrown it away  
Made my choices now in my bed I lay

Leave, don't look back, I'm on my own  
Now I must carry on  
Leave, don't look back, I'm on my own  
Now I will carry on  
Please don't look back, I'm on my own now

The birds up in the sky  
Spread their wings now, oh, if only I  
Could be so free, I'd fly away  
And hope you forgive me someday

Leave, don't look back, I'm on my own  
Now I must carry on  
Leave, don't look back, I'm on my own  
Now I will carry on  
Please don't look back, I'm on my own now

Take my hand  
Promise me please  
See this face  
Forget about me  
Here comes the morning sunlight  
Here comes  
The tease

Leave, don't look back, I'm on my own  
Now I must carry on  
Leave, don't look back, I'm on my own  
Now I will carry on  
Please don't look back, I'm on my own now

I'm on my own (On my own)  
On my own (On my own)  
On my own (On my own)  
On my own (On my own)  
I'm on my own now
