

# It's Amazing

Jem

Do it now  
You know who you are  
You feel it in your heart  
And you're burning with ambition

At first, wait,  
Won't get it on a plate  
You're gonna have to work for it harder and harder

And I know  
'cause I've been there before  
Knocking on the doors with rejection (rejection)  
And you'll see  
'cause if it's meant to be  
Nothing can compare to deserving your dream

It's amazing,  
It's amazing all that you can do  
It's amazing,  
Makes my heart sing  
Now it's up to you

Patience, now, frustration's in the air  
And people who don't care  
Well, it's gonna get you down

And you'll fall (fall)  
Yes, you will hit a wall  
But get back on your feet  
And you'll be stronger and smarter

And I know  
'cause I've been there before  
Knockin' down the doors,  
Won't take "No" for an answer  
And you'll see  
'cause if it's meant to be  
Nothing can compare to deserving your dream

It's amazing,  
It's amazing all that you can do  
It's amazing,  
Makes my heart sing  
Now it's up to you

Oh-oh-oh

Don't be embarrassed, don't be afraid  
Don't let your dreams slip away  
It's determination and using your gift  
Everybody has a gift  
Never give up, never let it die  
Trust your instincts and most importantly  
You've got nothing to lose  
So just go for it

It's amazing,

It's amazing all that you can do  
It's amazing,  
Makes my heart sing  
Now it's up to you  
(2x)

Ah-ah-ah
