It's amazing,

Do it now You know who you are You feel it in your heart And you're burning with ambition At first, wait, Won't get it on a plate You're gonna have to work for it harder and harder And I know 'cause I've been there before Knocking on the doors with rejection (rejection) And you'll see 'cause if it's meant to be Nothing can compare to deserving your dream It's amazing, It's amazing all that you can do It's amazing, Makes my heart sing Now it's up to you Patience, now, frustration's in the air And people who don't care Well, it's gonna get you down And you'll fall (fall) Yes, you will hit a wall But get back on your feet And you'll be stronger and smarter And I know 'cause I've been there before Knockin' down the doors, Won't take "No" for an answer And you'll see 'cause if it's meant to be Nothing can compare to deserving your dream It's amazing, It's amazing all that you can do It's amazing, Makes my heart sing Now it's up to you Oh-oh-oh Don't be embarrassed, don't be afraid Don't let your dreams slip away It's determination and using your gift Everybody has a gift Never give up, never let it die Trust your instincts and most importantly You've got nothing to lose So just go for it

It's amazing all that you can do
It's amazing,
Makes my heart sing
Now it's up to you
