

Never Let Me Down

Jennette McCurdy

You always see the best in me
You believed and never stopped dreamin'
You give me faith a little grace
A smile on my face

You hold me up
Keep me reachin for the clouds

Oh ohhh

You know you could never let me down
Your always reachin out
And there's no way I'd ever doubt you
Cross my heart
Could't do it without you now
You never ever, ever let me down

It's what you do
We're been through
Wanna say, I wanna say thank you
I can't deny I couldn't fly
Without you in my life
You know how to keep me up
You always been around

Oh ohh

You know you could never let me down
Your always reachin out
And there's no way I'd ever doubt you
Cross my heart
Could't do it without you now
You never ever, ever let me down

Your the one who lifts me off the ground
Your the one who tells me your so proud
Oh I got to sing it out

Oh ohh

You know you could never let me down
Your always reachin out
And there's no way I'd ever doubt you
Cross my heart
Could't do it without you now
You never ever, ever, ever, ever, ever
Ever let me down
Your always reachin out
And there's no way I'd ever doubt you
Cross my heart
Could't do it without you now
You never ever, ever let me down

No you don't
You never let me down
No ohh...
