

Before The Next Teardrop Falls

Jenni Rivera

If she brings you happiness
Then I wish you all the best
It's your happiness
That matters most of all
But if she ever breaks your heart
And the teardrops ever start
I'll be there before the next teardrop falls

Si te quiere de verdad
Si te da felicidad
Les deseo lo mas bueno a los dos
Pero si te hace llorar
A mi me puedes hablar
Yo estare contigo cuando triste estes

I'll be there anytime
You need me by your side
To drive away every teardrop
That you cried
But if she ever leaves you blue
Just remember, I love you
And I'll be there
Before the next teardrop falls

I'll be there baby
I'll there before the next teardrop falls
Cuando tu me necesites I'll be here aqui estare

Yo estare cuando me necesites a tu lado
Para borrar cada lagrima que hayas derramado
And if she ever leaves you blue
Just remember, I love you
And I'll be there before the next teardrop falls
I'll be there before the next teardrop falls
