## **I Will Survive**

Jenni Rivera

First I was afraid, I was petrified Kept thinking I could never live without you By my side But then I spent so many nights Just thinking in how you did me wrong And I grew strong And I learned how to get along

And so you're back from outer space I just walked in to find you here with that sad Look upon your face I should have changed that stupid lock I should made you leave your key If I'd had known for just one second You'd be back to bother me

Oh now go, walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried To hurt me with his bye's? Did you think I'd crumble? Did you think I'd lay down and die?

Oh no not I I will survive Oh as long as I know how to love I know I'll stay alive I've got all my life to live And I've got all my love to give And I'll survive, I will survive hey hey

It took all the strength I had Not to fall apart Just trying hard to mend the pieces Of my broken heart

And I spent oh so many nights Just feeling sorry for myself I used to cry But now I hold my head up high And you see in me, somebody new I'm not that chained up little person Still in love with you And so you felt like dropping in And just expect me to be free But now I'm saving all my loving For someone who's loving me

Oh now go, walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried To break me with goodbye? Did you think I'd crumble? Did you think I'd lay down and die? Oh no not I I will survive Oh as long as I know how to love I know I'll stay alive I've got all my life to live And I've got all my love to give And I'll survive I will survive Hey, hey
