Jennifer Day

Oooh
I'll give my all
Or not at all
There's no inbetween
I'll give my best
won't second guess
This feeling in me

You make me want to love you
With every breath I'll love you
Endlessly
I'll give my heart give my soul
I won't hold back
I'll give you everything
All of me
Completely

Ooooh

You fill me up
With your love
Oh I just overflow
When we touch
I can't get enough
And I want you to know

You make me want to love you
With every breath I'll love you
Endlessly
I'll give my heart give my soul
I won't hold back
I'll give you everything
All of me
Completely

oooh yeah yeah ohh

You make me want to love you
With every breath I'll love you
Oh endlessly
I'll give my heart give my soul
I won't hold back
I'll give you everything
All of me
Completely
