

I Am Changing

Jennifer Hudson

Look at me (2x)

I am changing, trying every way I can.
I am changing, I'll be better than I am.
I'm trying to find a way to understand.
But I need you, I need you, I need a hand.

I am changing, seeing everything so clear.
I am changing, I'm gonna start right now, right here.
I'm hoping to work it out and I know that I can.
But I need you, I need a hand.

All of my life, I've been a fool.
Who said I can do it all alone?
How many good friends have I already lost?
And how many dark nights have I known?
Walking down that wrong road, there was nothing I could find.
All those years of darkness can make a person blind.
But now I can see...

I am changing, trying every way I can.
I am changing, I'll be better than I am.
But I need a friend, to help me start all over again.

Oh, That would be just fine.
I know it's gonna work out this time.
Cuz this time I am, this time...I...am

I am changing, I'll get my life together now.
I am changing, yes, I know how.
I'm gonna start again.
I'm gonna leave my past behind.
I'll change my life.
I'll make a vow.
Nothings gonna stop me now.....
