

# One Night Only

Jennifer Hudson

You want all my love and my devotion  
You want my love and soul, right on the line  
I have no doubt that I could love you, forever  
The only trouble is, you really don't have the time

You've got one night only, one night only  
That's all you have to spare  
One night only  
Let's not pretend to care  
One night only, one night only  
Come on, big baby, come on  
One night only  
We only have 'til dawn

In the morning this feeling will be gone  
It has no chance going on  
Something so right has got no chance to live  
So let's forget about chances, it's one night I will give

One night only, one night only  
You'll be the only one  
One night only  
Then you have to run

One night only, one night only  
There's nothing more to say  
One night only  
Words get in the way

One night only  
One night only  
One night only
