

Walk It Out

Jennifer Hudson

You got me hypnotized
You got a look and a something money can't buy
You'll walk it out with me
Walk it out with me, walk it out with me
I got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me, walk it out with me

Hey baby, hey, hey, hey
I just moved in to town
I'm lost, can you show me the way

Honey excuse me
Keep on working
If I didn't know no better
I'd think that you was filtering
Whispering sweet nothings in my head
Working on all 'em excuses to get up your head

And Boy you talking good shit
And I swear that you could get it
I'm a good girl, gotta think about my image
Show diggity, but I'm sorry
I'm not just anybody

You got me hypnotized
You got a look and a something money can't buy
You'll walk it out with me
Walk it out with me, walk it out with me
I got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me, walk it out with me

Hey baby, hey, hey, hey
Let me re-schedule we can do this another day
Fuck it, let's do this today
I know you want to
Take me to your room
And I wanna go your way
But you gotta treat me like a lady
We should just get to know each other yeah
And the man will go the other way
But now I'm on the first stand yeah

You got me hypnotized
You got a look and a something money can't buy
You'll walk it out with me
Walk it out with me, walk it out with me
I got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me, walk it out with me

I'll be on, I'll be on, I'll be, I'll be on that good shit
I'll be on, I'll be on, up that hood shit

You gotta take me out
Let me show you out
So approach me now
If you do it you can take me out
Slow down
I'll give it to you now
Boy what you talking 'bout
If you wanna get with me, gotta work for me
Now baby get at it

You got me hypnotized
You got a look and a something money can't buy
You'll walk it out with me
Walk it out with me, walk it out with me
I got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me, walk it out with me

Walk it out
Walk it out
Yeah baby
Oh yeah
